# JAY SATTERFIELD

Jay Satterfield is honored to have received the Charleston Realtor of Distinction award and ranks in the top 3% of agents in the Charleston market, yet he acknowledges there is always room for improvement. He's been committed to monitoring all aspects of our unique real estate market day by day. He strives to give each client the tools they need to effectively navigate their "specific" real estate market and make informed decisions about their next real estate transaction.

Jay is the Founder of CharlestonResidential.com and proud to represent Nicklaus Vance (NV) Realty Group. NV Realty Group is a luxury real estate company founded on the pillars of hard work, integrity and excellence, inspired by co-founder, Mike Nicklaus' parents, Jack and Barbara Nicklaus. Jay is a consistent top producer for NV Realty Group. Jay has also been Charleston's top Dave Ramsey Endorsed Local Provider (ELP). He teaches Dave Ramsey's trusted Financial Peace program to help people clear debt and reach financial freedom.

Jay is a native of the Carolinas, a veteran, a father of six and the eldest of three brothers. Jay's father worked in sales and his mother worked for an architectural firm throughout his childhood. As a young adult, the Air Force took Jay to cities around the United States and Europe, where he served as a Russian Linguist. Afterward, Jay attended The University of Maryland, Charleston Southern and the College of Charleston. During this period he met his wife, Kami Satterfield, who is also a real estate agent and mother to their six beautiful children.

Since moving to the Charleston area in 1994, Jay has served our community as a real estate broker, insurance agent, and a home builder. Jay has built businesses that contribute to the local economy and has established strong relationships with individuals, corporations and local officials. His experience and ties gives him a very unique perspective as a Realtor. He has a keen eye for making the right home repairs or updates to give sellers the best return on their investment. He also has years of experience overseeing and personally rehabbing houses and offices, which is a huge asset for prospective buyers who may need help identifying potential issues on their purchase. Whether he is working with a first time home buyer or a home selling veteran, Jay understands all aspects of real estate. With Jay's knowledge of buying, selling and leasing commercial properties, he is NV Realty Group's "Go To" realtor to represent clients in commercial real estate.

In his spare time, Jay enjoys spending time with his large and ever expanding family and his favorite hobbies, boating and golfing. Faith and Family are very important to Jay. He serves on the missions counsel at his local church, and enjoys volunteer coaching for youth soccer & baseball.

*"I aim to provide the highest level of service to my clients and I take deep pride in helping them make the most informed decision possible while respecting their time, building trust and ultimately having a little fun during the process."*
